ARRIVE EARLY, STAY LATE!

Williamson County - Discover a great place to visit, a great place to shop, and a great place to live. The history of Williamson County and Franklin, its county seat, dates back more than two centuries to their founding in 1799. Step into the past as you stroll the old-fashioned streets of Franklin and experience its rich history.

Visitors to Historic Downtown Franklin experience an award-winning Great American Main Street town. The Victorian commercial district with its beautifully renovated historic buildings is the heart of Franklin and Williamson County. Downtown Franklin offers an eclectic mix of antique shops, gift and book stores, art galleries, and clothing stores.

History is alive in Williamson County and whether your interest lies in beautiful architecture or the Civil War, there is something for everyone. Must See Attractions include:

- Battle of Franklin Battlefield Sites
- Carnton Plantation
- Carter House
- Natchez Trace Parkway
- The Factory at Franklin
- Village of Leiper’s Fork
- Franklin Theatre

Williamson County invites you to experience all the heritage, beauty, and tradition it has to offer. For more information on all the attractions and events in Williamson County, please visit www.visitwilliamson.com.

Hotel Information
All meetings, continuing education sessions, and special events at the 2019 TPHA Conference will be held at the Cool Springs Marriott Hotel & Conference Center in Franklin, Tennessee. A block of rooms has been reserved at the Cool Springs Marriott at a special rate of $142 per night (single or double occupancy). Reservations can be made by calling the Marriott at (615) 261-6100. Please specify you are attending the TPHA Conference. The deadline for making hotel reservations is August 19, 2019. In order to avoid a penalty, you must notify the hotel at least two weeks in advance of the conference if you need to cancel the reservation.

Conference Registration
Registration for the full conference includes all educational sessions and luncheons, exhibits, poster session, and the Thursday evening reception. Additional guest tickets for the Thursday evening social event (Fun and Fitness) can be purchased as indicated on the registration form. Pay the daily registration rate only if you will be attending the conference for fewer than three days and indicate which days you plan to attend. If you register for the full conference, do not pay the daily rate. Attendance at the conference is limited; individuals who register for the full conference will be given priority. If the conference is sold-out, your full payment will be refunded. If you plan to register for workshops only (no food events or plenary sessions are included), there is no fee required, but you must register in advance of the meeting.

Cancellations And Refunds
All cancellations must be received in writing for consideration. If TPHA is notified of a cancellation by August 31, 2019, a full refund will be issued, less a $25 non-refundable administrative fee. No refunds will be granted after August 31, 2019.

Continuing Education
Continuing education credit has been requested for conference attendees in the following professions: nursing, physicians, dentists, pharmacists, nutritionists, certified health education specialists, dental hygienists, dental assistants, certified public health and environmental health specialists.

Tennessee Public Health Association provides nursing contact hours at educational meetings and conferences through The University of Tennessee, College of Nursing. The University of Tennessee, College of Nursing is an approved provider of continuing nursing education by the Tennessee Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation. The specific criteria for awarding contact hours for this conference and other TPHA sponsored events varies and is available on event promotional materials. TPHA offers Certified in Public Health (CPH) continuing education credits through the University of Memphis School of Public Health, an approved provider by the National Board of Public Health Examiners. TPHA is a designated provider of continuing education contact hours (CECH) in health education by the National Commission for Health Education Credentialing, Inc.

TPHA Membership
The Tennessee Public Health Association is the official professional organization for those engaged or interested in public health services and is the voice for public health in Tennessee. Endorsed by the Tennessee Department of Health, TPHA is an organization in which different disciplines work together to secure administrative policies and legislative actions that will afford all Tennesseans a safer and healthier life. TPHA, an affiliate member of the American Public Health Association, provides opportunities for health professionals representing diverse service areas to meet and share ideas to maintain high standards of quality in all aspects of public health. Membership is encouraged for any person, organization, or agency interested in the advancement of public health in Tennessee. Additional information about TPHA and the benefits of membership are located at the Association’s website, www.tnpublichealth.org.

Mail completed registration forms to:

Plenary Speaker, Robert Childs, MPH

Robert Childs, MPH, will speak about reducing drug overdoses through harm reduction programs and law enforcement partnerships in Thursday’s Plenary Session. Mr. Childs specializes in harm reduction practice, overdose prevention and response initiatives, drug policy, advocacy and reform, law enforcement assisted diversion (LEAD) and law enforcement occupational safety & drug overdose response. He is currently Technical Expert Lead at JBS International where he provides technical assistance on rural overdose prevention projects. Prior to joining JBS, he served as North Carolina Harm Reduction Coalition’s (NCHRC) Executive Director from 2009-2018. While there, Robert helped develop the largest syringe exchange network in the southern US, a successful community and law enforcement-based naloxone distribution program, and advocacy campaigns that led to the passage of comprehensive overdose prevention, syringe decriminalization, biohazard collection and syringe exchange legislation. Childs’ has spoken before the United Nations, US Congress, FDA and multiple state legislatures about his work, which has been featured in the New York Times, the Wall Street Journal, USA Today, the Daily Beast, Fox News, NBC News, ABC News, Human Rights Watch, NPR, The Huffington Post and other publications.

Plenary Speaker, Donnie Varnell

Joining Robert Childs on Thursday will be Donnie Varnell, a special law enforcement projects consultant with NCHRC and an active member of the Dare County Sheriff’s Office in North Carolina. Donnie helped NCHRC set up its first Law Enforcement Assisted Diver- sion (LEAD) program and currently conducts law enforcement organizing and trainings. Prior to joining NCHRC, Donnie was with the North Carolina State Bureau of Investigation for 24 years, most recently serving as the Special Agent In-Charge for the Bureau’s Diver- sion and Environmental Crimes Unit (DECU) where he developed policies and conducted and supervised investigations dealing with prescription narcotics and environmental violations.

Plenary Speaker, Kathy Pearson, PhD

Friday’s plenary speaker is Kathy Pearson, PhD, a strategist, Systems Thinking expert, and one of the foremost authorities in decision making today. Dr. Pearson’s engaging style and timely presentation, Leading in an Environment of Uncertainty, is sure to energize and motivate conference attendees.

Kathy is President and Founder of ELS, a firm focused on executive development and learning across industries. Currently a Senior Fellow at the Leonard Davis Institute of Health Economics, University of Pennsylvania, Kathy previously served as an adjunct Associate Professor in the Operations and Information Management Department at The Wharton School, University of Pennsylvania. An award-winning educator, Kathy works extensively with mid- to senior level executives across a wide range of industries - health care and life sciences, financial services, professional services, technology, consumer products, energy and manufacturing – where she teaches a variety of topics such Executive Decision Making, Strategic Agility, Change Managing and Execution using real world applications. Her client list includes Cardinal Health, Children’s Miracle Network, Chubb Group of Insurance Companies, Coca-Cola, Comcast, The Estee Lauder Companies, GlaxoSmithKline, India Ministry of Finance, McKesson, Merck, Novartis, Novo Nordisk, Royal Bank of Scotland, Schneider Electric, UnitedHealth Group, Westpac Bank Australia, the World Bank and many others throughout the world.
